

Docket No. 20664.007

DECLARATION FOR PATENT APPLICATION

As a below named inventor, I hereby declare that:

My residence, post office address, and citizenship are as stated below next to my name,

I believe I am the original, first, and sole inventor (if only one name is listed below) or an original, first, and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled

A System For Terminating Heart Arrhythmia Using Electrical Shocks Delivered Through A Set Of Internal And External Electrodes Configurable To A Multitude Of Shock Configurations By Selecting The Shock Vector(s) On A Control Device That Also Provides Over Shock Safety For Patients

This application claims priority from provisional application serial no. 60/434,128, filed 12/18/02.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to the patentability of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56.

I acknowledge the duty to disclose information material to the patentability of this application as defined in Section 1.56 which occurred between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

I hereby file this application on my own behalf and will choose patent counsel to prosecute this application at a later time and who once chosen will be authorized to transact all business in the U.S. Patent and Trademark Office in connection therewith.
